

About Foresite Training

Foresite Training is a nationally registered training organisation, delivering qualifications and accredited courses in Melbourne and across the nation. We are able to train and assess competency at our training centres in Victoria or at your workplace anywhere in Australia.

Short courses

We deliver nationally accredited short courses, industry specific modules as well as tailored programs for employers.

The information provided here covers a range of our popular short courses, however, we also deliver a variety of other courses we'd be happy to discuss with you.

Entry requirements apply to some courses. Course prices and durations are subject to change and will be confirmed prior to enrolment. Additional fees may apply for regional and interstate training.

Ask us about our qualifications

Foresite Training delivers a range of nationally accredited qualifications with regular intakes throughout the year.

Talk to us about how we can help up-skill you or your employees.
